

October 28, 2024

Dear Colleagues:

Twenty-one companies have demonstrated compliance with the American Chemistry Council (ACC) Product Approval Code of Practice for the period of March 31, 2023 through March 31, 2024. All 21 companies submitted a Letter of Intent by the due date. Seventeen companies successfully completed the ACC compliance audit checklist and four companies provided verification from the ACC Monitoring Agency that no candidate engine tests were scheduled or registered during this time period.

The ACC Product Approval Protocol Task Group (PAPTG) is pleased to recognize the following organizations:

Afton Chemical Corporation	Infineum U.S.A. LP
Afton Chemical Corporation Test Laboratory	Intertek Automotive Research
BP Lubricants USA, Inc.	LLK-International (LUKOIL Lubricants Co)
Chevron Oronite Company LLC	The Lubrizol Corporation
Chevron Oronite Technology b.v.	Lubrizol Wickliffe Mechanical Testing Laboratory
Eni S.p.A.	PetroCanada Lubricants, Inc.
Evonik Oil Additives	PetroChina Lubricant Company
ExxonMobil Research and Engineering Company	RIPP Sinopec Lubricant Co.
ExxonMobil Test Laboratory	Southwest Research Institute
Fuchs Lubricants Germany GmbH	Valvoline Product Application Laboratory
	Xinxiang Richful Lube Additive Co., Ltd.

The ACC PAPTG appreciates your company's continued commitment to quality improvement in engine oil testing.

Sincerely,

Traci Freeman
